Dr. Cesar Parra has been an integral part of the international dressage community, riding for his home country of Columbia, and in recent years as a citizen of the United States. He has an extensive list of accomplishments in the sport including participation in two World Equestrian Games, the 2005 World Cup Finals, and the 2004 Olympics Games in Athens. He has placed as a team and individually in such competitions as The Pan-American Games and the Central American Games as well as Dressage at Devon and Aachen. Along with his personal achievements, Dr. Parra and his assistant training team can be credited with aiding multiple students over the years in acquiring 11 NAJYRC Medals, an Adult Amateur Regional Championship in Intermediaire II and Grand Prix, qualification and competition at The Pan American Games, and several USDF gold medals.

Majestic Farm is happy to open this clinic to all Junior, Young and Brentina Cup Riders. All other riders will be accepted, placed on a waiting list, and entered into the clinic as space permits. Auditors are welcome and encouraged.
